

Kiwanis Builders Club

What We've Done and What's Coming Next!

Who We Are

- We are the Kiwanis Builders Club! We are the middle school counterpart sponsored by the larger adult organization of the Holmdel Kiwanis.
- Most students think our club is building with legos, but we work together to help our community and support those in need.
- So far this year, we've accomplished amazing things—and we're excited to share them with you!

Kicked off with Socktober

Our first community project of the year was a sock collection, and all the socks were donated to homeless shelters. This was a team effort with our parent organization, the Holmdel Kiwanis, who made a generous contribution to help out.

Trunk or Treat at Bayonet Farms

We joined Kiwanis at the annual Trunk or Treat event, happily handing out candy to all the trick-or-treaters!

Satz Road Safety Week

Mahati Kashyap, a Builders Club member, took the lead in organizing Road Safety Week. We supported her by putting up signs to help raise awareness about road safety.

Bake Sale for Bridges at the Shore

We held a bake sale to raise money for local families in need and successfully raised \$235! All proceeds were donated to Bridges by the Shore to support families during the holiday season.

Kiwanis Children's Christmas Party

We volunteered at the annual Christmas Party, where we helped with face painting, arts and crafts, and assisted Santa.

Holiday Goodie Bags for Bridges at the Shore

We put together 152 goodie bags for local families, which were then donated to Bridges by the Shore along with gifts collected by Mrs. Barth from the Satz Holiday Tree.

Our **Goodie Bags** and **Satz's Giving Tree Donations** are Part of a Larger Effort Supporting Families at Bridges at the Shore

Our donations, along with many others collected by Mrs. Logan, contribute to the holiday store she sets up, where local families in need can select gifts for their children during the holiday season.

“Souper Bowl” Drive

During our Souper Bowl Drive, our social studies teachers collaborated with us, and we collected **304 cans of soup** for the Keyport Food Pantry.

SEL Week – Spreading Positive Messages with the Student Council and Art Club

We partnered with the Satz Student Council and Art Club to chalk positive messages around the school entrances, spreading cheer and positivity

KEYPORT PANTRY NEEDS OUR HELP!

Donate **CEREAL BOXES**
from **MARCH 17 - APRIL 2**.
The more you donate the
better chance you get to
win a **GIFT CARD!!!!!!**

[Cereal Domino Effect](#)

1st prize \$20 gift card/2nd prize \$10 gift card

DONATE
YOUR
BOXES, I'M
CER-IOUS!!

Drop donations &
get your tickets
in Room 118

Our Upcoming Plans

- We plan to create a Cereal Domino Effect video using the cereal boxes we collect.
- We have a goal to assist the Keyport Food Pantry and/or visit a senior citizen center.
- We'll wrap up the year with our annual flower planting around the Satz 9/11 Memorial, alongside Lieutenant Sasso from Kiwanis!"

Thank You!

- A heartfelt thank you to the Holmdel Kiwanis for sponsoring and supporting us, and for being our driving force.
- We also want to express our gratitude to Mrs. Logan and Bridges at the Shore, as well as to Ms. Natalie at the Keyport Food Pantry, for offering valuable community service opportunities.
- Lastly, a big thank you to the Holmdel community and all the families for your generosity and support in helping us make a difference.
